James (Jee Hoon) Choi

493 La Conner Dr. Unit 3 · Sunnyvale, CA · 94087
408-824-4123   jchoi00@umail.ucsb.edu

Education
University of California, Santa Barbara (UCSB)
Bachelor of Science in Electrical Engineering   Expected: December 2017
Emphasis in *Technology Management*

Honors   University of California, Santa Barbara
Engineering Honors Program   April 2015 - Present
Dean's Honors   March 2015
Major GPA: 3.72   Overall GPA: 3.67

Relevant Work
Engineering Writing Award   May 2015
- Recognition of excellence in research and writing.
- Led the team to successfully conduct a number of usability tests, research, and redesign of the Cuisinart Citrus Juicer.

Natcar Project   May 2015
- Design experience with emphasis on software and electronic circuits

Vice President at Techonits, Sunnyvale, CA   September 2011 – January 2014
- CA non-profit organization that brings benefits of technology to senior citizens
- Built up the organization since 2011 and have finished 500+ hours of service
- Officially registered with the *President's Volunteer Service Award*

Arduino Project   July 2013
- Built an alarm clock by assembling a circuit board and programming
- Created essential functionalities such as time, date, and alarm adjustments
